

[Title] Just My Style

(Intro)

People say “give it your all” so easily,
but I’m always putting in the effort.
As I move forward with single-minded determination,
my dreams will surely become reality.

When I’m climbing a hill I never thought I’d tackle,
I hold my destination high.
The world that spreads out before me there is... Woh

Just Just...

(Chorus)

Just my style—I won’t lose
No one can take away what I must always protect
My melody
It’s my style—of course
These wings that will never break
Love that transcends the reality that clings to me
lalala...

(Interlude)

People say it’s easy to be flexible all the time,
But there are plenty of things you can’t just go along with, right?

As I keep conveying my message with single-minded determination,
My ideals will surely turn into reality

Even if I don’t have exceptional abilities,
I’ll hold high my destination.
The world that spreads out before me is... Woh

Just Just...

(Chorus)

Just my style—I won't stop.

**When you're unsure what to do, first
just laugh it off, no matter what.**

It's my style—of course.

I have no regrets because I'm here.

Emotional errors that make you look back are fake.

lalala...

(Interlude)

Just Just...

Just my style—I won't lose

No one can take away what you and I must protect

The melody in my heart

It's my style—of course

These wings will never break

Love that transcends the uncertainty that clings to us

lalala...

【タイトル】 Just My Style

みんなは「全力を尽くせ」なんて簡単に言うけど私はいつも努力してるよ
一心不乱に突き進む限り夢は必ず現実になる
挑戦するなんて思ってもみなかった丘を登るときも目標を高く掲げる
目の前に広がる世界は…Woh

Just my style 負けないよ
誰も奪えない私が常に守らなければならないもの私のメロディー
It's my style 決して折れない翼
現実を超越した愛が私にまわりつく ラララ…

(間奏)

みんなはいつも柔軟でいるのは簡単だと言うけど
ただ従うだけでは済まないこともたくさんあるよね？
一心不乱にメッセージを伝え続ける限り私の理想は必ず現実になる
特別な能力がなくても目標を高く掲げる
目の前に広がる世界は…Woh

Just my style 止まらないよ
何をすべきかわからないときはまずは笑い飛ばせばいい
It's my style 私はここにいるから後悔はない
過去を振り返るような感情的な過ちは偽物 ラララ…

(間奏)

Just my style 負けないよ
あなたと私が守らなければならないものを誰も奪うことはできない私の心のメロディー
It's my style この翼は決して折れない
私たちにまわりつく不確実性を乗り越える愛ラララ…
